

BATS: CREATURES OF THE NIGHT

October 26 from 3:30-5 p.m.

Bachechi Open Space

9521 Rio Grande Blvd. NW

Corner of Alameda Blvd. and Rio Grande Blvd.

Bats are amazing flying mammals that use extraordinary senses to navigate the night's sky when looking for prey. Get into the Halloween spirit by learning about these creatures of the night with Research Wildlife Biologist Ernest W. Valdez, Ph.D.

For more information, visit www.bernco.gov/openspace or call (505) 314-0398.
