

Carlito Springs HISTORIC Gardens and Orchard

October 25 from 1-3 p.m. 🍃 **Carlito Springs Open Space**
82 Carlito Springs, Rd., Tijeras, NM

Carlito Springs is a haven from the urban environment mostly due to the springs and lush vegetation. The property is comprised of historic orchards, vegetable and flower gardens and rich riparian areas. Come learn about this historic landscape and effort to enhance and manage them today through volunteer assistance.

AGENDA

- Commissioner Wayne Johnson will present the Phase II plans for Carlito Springs that will include the rehabilitation of the historic cabins and travertine house
- Baker H. Morrow, Landscape Architect and Historian, will present historic gardens in the East Mountains and at Carlito Springs
- Dwight Luna with the New Mexico Fruit Explorers will discuss efforts to preserve historic fruit trees throughout the area and share personal stories about the Carlito Springs orchard
- Master Naturalist Volunteers will present current efforts to restore the Carlito Springs garden and orchards (includes an optional hike)
