

# NATURE PACKS

## A FAMILY ADVENTURE!

**Nature Packs** is a fun activity for the whole family, and it's free! Get out and explore the natural wonders of Bachechi Open Space. Packs allow families to explore wildlife, bugs, trees, wetlands, birds, and animal tracking. The packs are ideal for five to ten-year-olds, and pre-school packs are available for three to four-year-olds.

It's easy. You just check out a backpack that is full of all the things you need to explore, including guides, hands-on supplies, and activity sheets. A pack for the senses other than sight is also available.
